

Dear Homeowner(s):

In response to Governor Newsom's Stay at Home Orders and the County of San Diego Health Department COVID-19 Guidelines, the Association's pool area(s) were closed in March 2020 to protect the health and safety of the Quail Ridge Homeowner Associations members.

In order to safely reopen the Association's pool area(s) the recent San Diego County Health Orders requires Homeowner Association's pool(s) to comply with Swimming Pool/Aquatic venue requirements of the State of California COVID-19 Industry Guidance on Fitness Facilities.

The Board of Directors is looking for volunteers from the Quail Ridge Homeowners Association members to assist the Board with monitoring the pool area to ensure that proper sanitation and required social distancing is adhered to. Currently, without the help from volunteers from the community the Association is not able to accommodate the costs to keep the pool(s) open on a monthly basis. Please note that even with the assistance of volunteers, it may be necessary to only open the pool area(s) during modified hours and may include a reservation system.

Please contact Curtis Management Company at the number listed below or via e-mail at cholder@curtismanagement.com if you are interested in volunteering your time.

Thank you,
Quail Ridge HOA Board of Directors
