**To all residents and guests:**

*Work schedules are weather-permitting, and are subject to change.*

**Eagle Paving Company will be seal coating the roads**

**Please observe the following items:**

- \* **ALL ROADWAYS AND PARKING AREAS MUST BE CLEAR**
- \* Access will be limited around certain work areas being performed
- \* No vehicles permitted in respective areas on days of work, starting 7:00 AM
- \* Vehicles may be returned **same day** by 6:00pm or once road is dry (*weather permitting*)
- \* Shut off irrigation sprinklers starting one day prior to work
- \* Sprinklers may be turned back on a day after work is completed
- \* Please cancel all scheduled deliveries or services on these seal coating days
- \* Material being applied is wet and will stick to your shoes, clothes, cars and pets
- \* **Do not walk or drive onto asphalt that is being worked on from 7:00am till 6:00pm same day**
- \* Vehicles will not be permitted to exit your driveway once the process begins, so plan accordingly
- \* Drive gently on asphalt for (4) weeks following work; it will be tender
- \* Only turn wheels while the vehicle is in motion, avoid turning wheels while sitting still
- \* Have towing company on standby or on-site if you feel it is necessary

**Vehicles that are left where work is to be performed will be towed at the owners expense.**

We will do everything in our power to minimize inconveniences

Your cooperation is appreciated and will help us complete work in a timely fashion
