

RED CURB SANDBLASTING

To: Homeowners and Residents at Quail Ridge

From: Quail Ridge Board of Directors

Date: May 24, 2018

Please be advised **Monday, June 25 through Thursday, June 28, 2018** Hailstorm Solutions will be sandblasting the red curbs throughout your community.

The red curb sandblasting will consist of pressurized air and dry abrasive material shot at the curb to remove the existing paint. This is important to note that these areas need to be clear of any cars due to the nature of the work. Vehicles will become dirty/dusty, may become scratched and or damaged. **Please close your doors and windows.**

Thus, there is **NO PARKING NEAR ANY RED CURB** while curb blasting is being performed.

We have provided a colored map of the community showing which streets will be impacted, for your information.

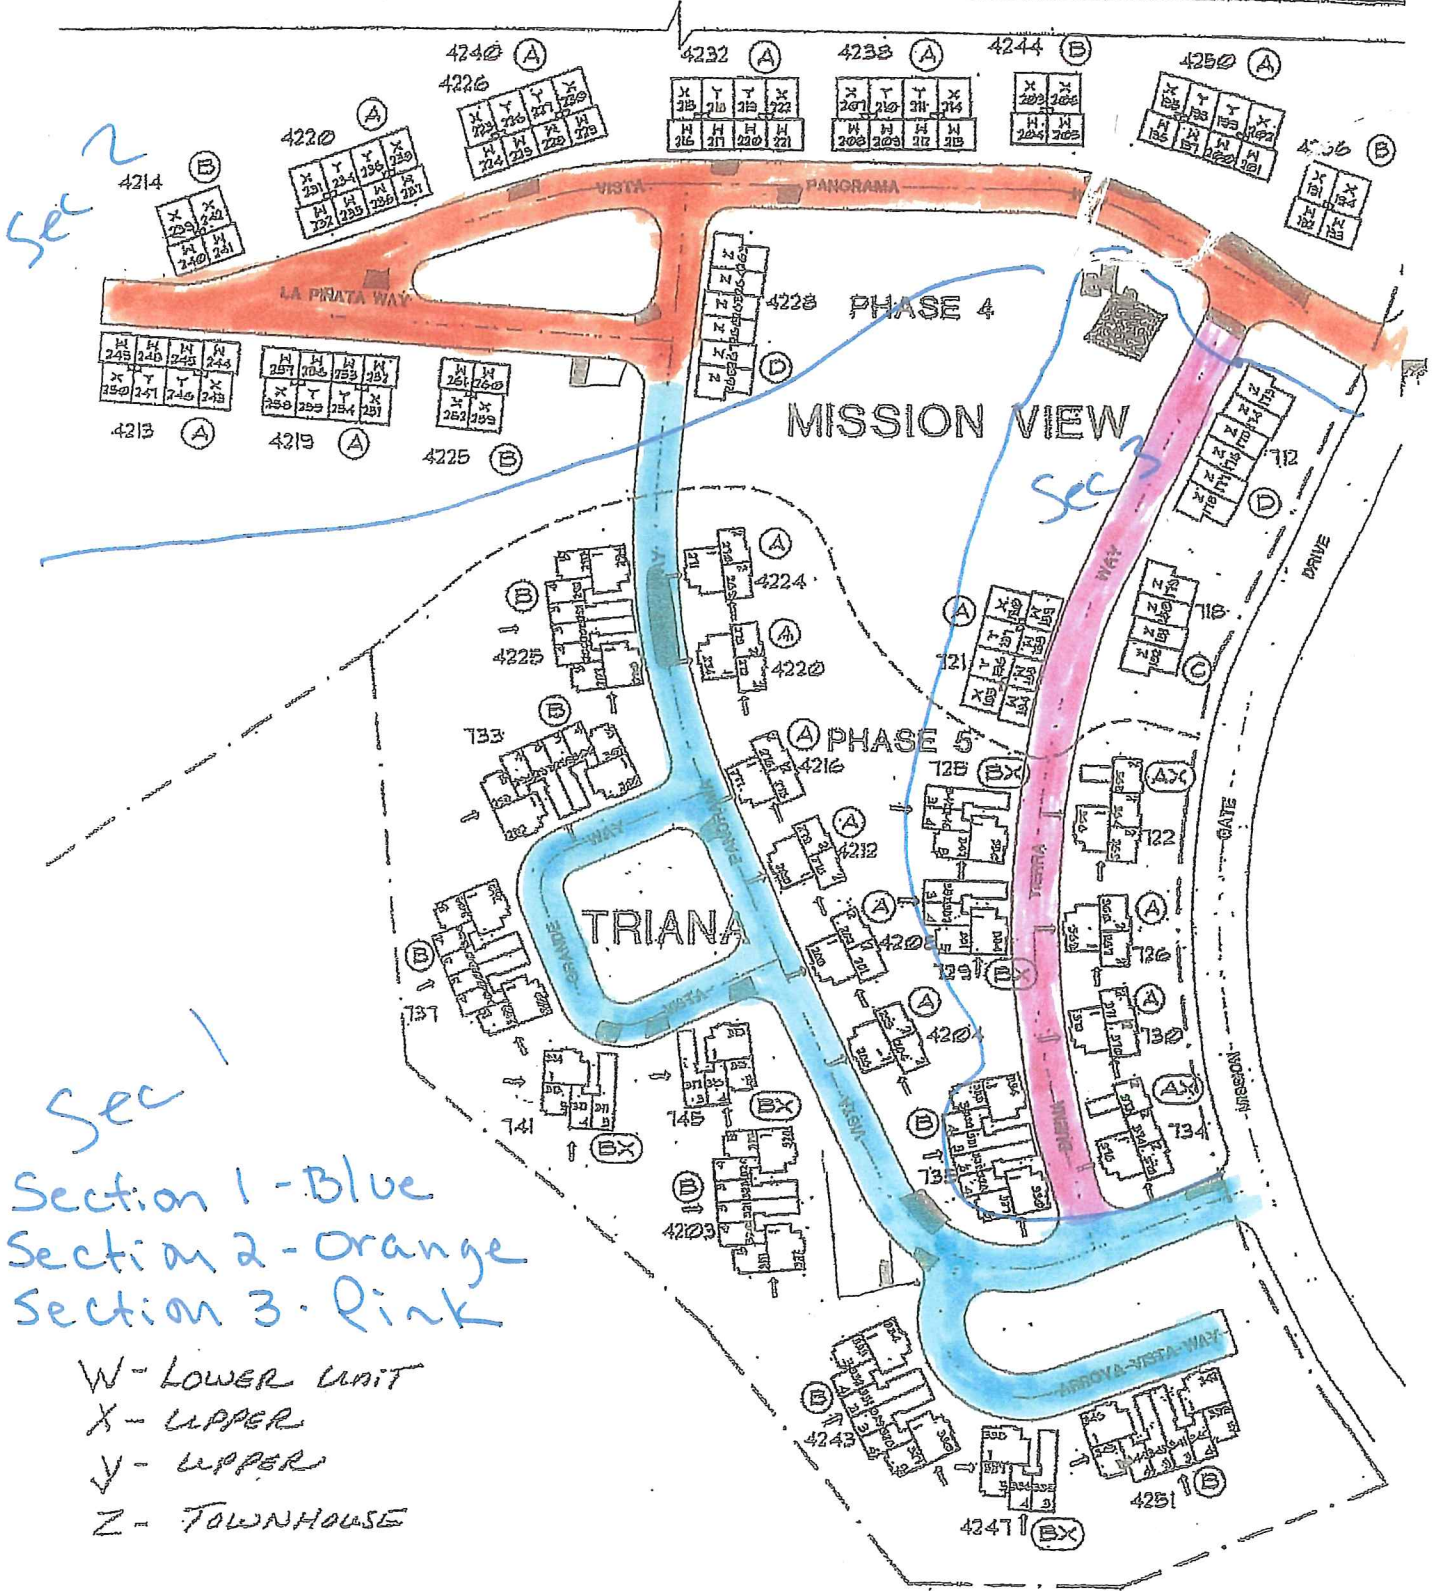

When your street is not being worked on, we request that you utilize your garage for parking to leave the open spaces for your neighbors who live on the streets where the work is being done, so that they will have a place to park. Other parking areas would be on the main road Mission Gate Drive.

Thank you in advance for your anticipated cooperation. If you have any questions, please feel free to contact our office at 760-643-2200.

Sincerely,

Quail Ridge Board of Directors
